ROSENGARTEN

## Banquet Documentation

---

Welcome!

Thank you for considering the Rosengarten restaurant for your special occasion.

Since we buy and prepare everything fresh, **we can only offer a set menu for groups of 15 people or more.** Vegetarian options are available upon request as well as individually composed menus for our little guests. Our suggestions are intended as a basic proposal, but changes and special wishes can of course be taken into consideration at any time.

In order to prepare your event in the best way possible, please provide us with your choice of menu and **number of guests** as early as possible. This information serves as a basis for purchasing, preparation and organization. Changes to the number of guests can be made for up to 48 hours, changes to the menu for up to 5 days prior to the event.

Menu cards and candles are included in our service. If you have concrete ideas for **decoration**, such as flowers, rose petals, cloth napkins or anything else, we will be happy to organize it for you. You are also welcome to bring along your own decoration.

For more information or to visit our venue, please contact us anytime.

We are looking forward to your visit!
